

Field Trip Consent Form

During the school year the teachers in your child's school will schedule field trips which will take the students on educational experiences away from the school. Parents will be notified of these field trips as they are scheduled by a written notice sent home with the student. This notification will tell the nominal cost (if any) for each student as well as the place, date and time of the field trip.

School personnel will take all normal precautions to ensure student safety.

Your signature below will authorize your child to participate in these experiences outside the school.

Recognizing that class field trips are a proper part of the school program, I hereby consent to the Bishop Adventist Christian School taking my child:

I also release and relieve the aforementioned conference, school and personnel from any and all liability or claims arising from injury or damage suffered or incurred by said child as a result of the acts, omission, or conduct of any person, other than the negligence of said conference, school, or personnel.

It is further understood that I shall have the responsibility of advising said child of the risks, which are known or should be known, of such trips.

I further agree to assume the responsibility of seeing that my child cooperates and conforms to the fullest extent with the school directions and instruction of the school officials in charge.
